AN OASIS OF
PERSONAL HEALING, WELLNESS & DISCOVERY

The Sanskrit derivation of Āmoda (आमोद) is “gladdening, cheering up or delighting” and stands for joy, pleasure and delight.

The Cosmos flowers are symbolic of peacefulness, wholeness, and modesty and in Greek mean “orderly, beautiful, and ornamental”.

Together they incorporate the vision of Āmoda Spa – “To create a tranquil and serene space that will act as an oasis of personal healing, wellness and discovery.”

A haven in the heart of Guwahati city, Āmoda Spa provides treatments that have been designed to detox, nourish, nurture, heal and rejuvenate the mind, body and soul. We aim to delight your every sense and ensure that you are left with a smile on your face and a spring in your step.
